- (Un)loading via dock shelters
- 24/7 real-time stock access
- Advanced labelling and barcoding (EAN128 / SSCC / Logo / DESADV)
- Compliant with Quality Systems and Licenses

Quality Systems & Certifications

Our approach

With short waiting times and a strategic location in the hearth of the Rotterdam Harbor, we are specialized in containerized temperature controlled foodstuffs. We gladly assist with container reception, border inspection, sorting, palletizing, repacking and (un)loading of your delicate foodstuff under EU-license. We pride ourselves to have built up a reputation of excellent work with a high level of integrity over the years
